## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Insurance, Financial Institutions, and Professional Registration, Department of Corrections and Office of Prosecution Services** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Attorney General (AGO)** assume costs would be incurred only in the investigation and enforcement against any violations of the proposal. It is unknown how many cases might result, but the AGO assumes costs can be absorbed with existing resources. If there is a significant increase in cases over time, the AGO may seek appropriations to adequately enforce the proposal.
